

## **Holy Homes - Caring for others**

- 1) What should our "caring" look like? James 2:15-16 is a good start.
  
- 2) Who should be the target of our caring? See James 1:27, Romans 14:21 & I Peter 4:9
  
- 3) Should we care for believers before unbelievers?
  
- 4) Does our caring require sacrifice? Or is that optional?
  
- 5) How does our care glorify God?
  
- 6) Give some examples of ways believers might struggle, and how we could help them. See Heb 10:24, I Thess 5:11 & Gal 6:2
  
- 7) When, if ever, should we "draw the line" and not help someone else? Philippians 2:3 is at least one side of the argument.
